NOTE:

Please speak to our sales team regarding internal / external finishes to the individual plots and for the finishes on driveways, parking facilities, landscaping and fencing.

The artist impressions used in our brochures, website and marketing materials are for illustration purposes only and are used to represent typical house types and internal layouts.

These have been created from architect drawings viewpoint to give the feel for the development, not an accurate description of the property.

Materials used, bricks, roof tiles, internal layouts, elevations and landscaping may vary from house-to-house.

Measurements should not be used for the purpose of purchasing carpets, curtains, household appliances or furniture.

The dimensions may vary within NHBC guidelines due to each property being individually built.

Whilst every effort has been made to ensure that these specifications are correct, it is designed specifically as a guide and Carter Construction Limited reserve the right to amend this as necessary and without notice.

This does not constitute or form part of any contract or sale.
